These materials and activities were developed under grants from the Alaska Department of Labor and Workforce Development and the Juneau Community Foundation's CBJ Social Service Grant.

## GED and Basic Skills Classes

### **Ready Math - Algebra Session** - 10-11:30 am, Monday-Thursday

Six weeks of GED/college prep algebra might be just what you need to move on to the next step. In this 'flipped' class, math is learned at your own pace. Miss a day? Not a problem — lessons are available online. Up next: Geometry (starting March 19).

### **EVENING Ready Math - Algebra Session** - 5-6:30 pm, Monday-Thursday

**NEW NIGHT CLASS!** The evening option you've been waiting for. Just like the morning class, but this one you can actually fit into your busy work schedule. 'Flipped' style — come learn what we mean.

### **What's up? Current Events** - 2-2:50 pm, Monday-Thursday

Can the president do that? Want to know the latest happenings in town or the state? This class will spark discussion about current events while providing GED prep.

### **Math in the Workplace** - 1-1:50 pm, Monday-Thursday

We get it. Math isn't your thing. You think "I just don't get it" or "Why are there letters in there?!" This class will help you sharpen your basic math skills for your next job.

### **Online and In-Person GED Tutoring** - 3-4 pm, Monday-Thursday

Sometimes you need one-on-one time to learn those tough subjects. Get tutoring from a GED wizard at TLC or even at home!

## English as a Second Language

### **Learn English!**

9:30-11:30 am, Monday-Wednesday

Improve your English in this six-week class that focuses on reading, writing, speaking and listening skills. Held at Gruening Park location.

### **ESL at the Valley Library**

5:30-7 pm, Wednesdays

Are you interested in improving your English but can't make it to daytime classes? No Problem! Drop in on Wednesday nights.

## Job Training

### **Computer Open Lab** - 9:30-11 am, Tuesdays and Thursdays

Get help with computer skills, your resumé and job search.

### **Juneau Construction Academy and Welding Training**

Free construction training. Class schedules vary. Free welding training. Get connected to employers and unions. Visit TLC in person or online for details.
